

BEST BLACK MALT eXtra

BESTMALZ

THE MALT	BEST Black Malt eXtra is the darkest malt in the BEST Black Malt series. The intensive roasting process produces colors and flavor components that give the beer a black to deep black color and nuances of black coffee or strong espresso. BEST Black Malt eXtra does not make the foam darker either and complies fully with the specifications of the German Purity Law.
USE	For all beer styles to intensify the color, for Schwarzbier, Bock, Alt, Brown Ale, Porter and all other very dark to deep black beer styles with an intensive roast note.
RATE	5 % of the grainbill

REMARKS	<p>All of our malts are produced in accordance with the purity guidelines of the German Reinheitsgebot of 1516. We use no genetically modified raw materials. Our malts are produced in compliance with all valid food regulations and legal provisions. Of course, absolute compliance with strict statutory limits relating to pesticides, herbicides, fungicides, mycotoxins and nitrosamines is guaranteed. This is checked by independent laboratories on a regular basis.</p> <p>All processes are conducted according to procedures that are stipulated in our quality management system in accordance with the European standard DIN-EN-ISO 9001:2015. This also comprises a HACCP system. Certification of the systems is performed regularly by the LGA InterCert.</p> <p>Malting barley and wheat are natural products. This means that the specifications given here are subject to seasonal variation and are based on a minimum level of quality for the harvested grain. Please find more information on our website at www.bestmalz.com.</p>
