

Mycotoxin Statement 2024 Concerning Loughran Adjuncts

We hereby certify that the materials found in Loughran Adjuncts conform to the requirements of EU Regulation No 2024/1038 and EU Regulation 2024/1022. Samples from our suppliers are regularly submitted to an external laboratory for the routine analysis of pesticide residues, mycotoxins and heavy metals, all of which comply with legal limits. All our products are destined for human consumption and do not pose a threat to human health.

Signed for and on behalf of Loughran Brewers Select Ltd.
